About Us

The Furniture Recycling Project is a non-profit making organisation. We collect unwanted household items such as sofas, wardrobes and cookers. We repair and restore the items and sell them at a low cost to people in Gloucestershire, many of whom are on benefits or on low incomes.

Types of Items We Collect

- Three-piece suites
- Dining Table and Chairs
- Wardrobes
- Beds
- Mattresses
- Coffee Tables
- TVs
- Washing Machines
- Refrigerators

Donating Furniture

If you live in the Gloucester, Tewkesbury, Cheltenham, or the Stroud area and have good quality furniture or electrical items you wish to donate, then please contact us and we can arrange for it to be collected free of charge.

Unfortunately we cannot take all items offered to us. For example, items including stained, marked, or ripped beds and upholstery regretfully cannot be accepted. Other items not accepted include furniture containing woodworm, gas appliances, electrical items in need of major repair or in a rusty condition, and upholstered goods which do not meet the Furniture and Furnishings (Fire) (Safety) Regulations 1988.

Regretfully we are unable to accept exceptionally large heavy items due to the risks to our drivers associated with lifting and moving them. Also for Health & Safety reasons, goods cannot be collected from upstairs in customer's property. Goods left outside in wet weather, will also be rejected. Customers are asked to have donated items readily accessible for our drivers.

Gift Aid

If you or a member of your household are a U.K. taxpayer, then please complete the gift aid form to help us earn a little extra income on the sales of your donated items. The forms will be sent to you in the post when you book a collection, and our drivers also have the forms available for you to sign. The forms can also be found on our website.
